PAR Wave

The House Wins with PAR

The Most Versatile All-In-One Touch Panel in Gaming.

Your casino need to run smoothly 24x7x365. PAR's legendary reliability and our deep commitment to service and support has earned us the business of the most discerning brands in gaming. In fact, 50% of the casinos on the Las Vegas strip rely on PAR hardware.

PAR Wave is the only all-in-one touch panel designed to be eco-friendly and give you uninterrupted performance, delivering more power for your business, and less impact on the earth.

With numerous mounting options, lightning fast processors, and a durable compact design, PAR Wave delivers table gaming management and point-of-sale, reimagined.

Versatile. Powerful. Reliable.
