

SERVICE LEVEL COMMITMENT

PAR® PAY SERVICES

This Service Level Commitment is available to customers of ParTech where such customers have subscribed to the PAR® Pay Services in accordance with ParTech's Subscription Services Terms ("Terms") under the Master Agreement or in accordance with the Subscription Services Agreement (as applicable) (individually, the "Agreement"). Capitalized terms not otherwise defined herein shall have the meanings given them in the Terms or the Agreement, as applicable.

1. AVAILABILITY SERVICE LEVEL COMMITMENT.

- 1.1. During the Subscription Term, ParTech shall achieve an Availability Service Level Commitment of at least **99.0%** in aggregate across all Participating Locations subscribing to the PAR Pay Services in each Measurement Period.
- 1.2. The "Measurement Period" is the recurring period over which the Availability Service Level Commitment will be calculated. The measurement period for determining the PAR Pay Service Level Commitment is a calendar month.
- 1.3. "Availability Base Hours" are the total number of hours during the Measurement Period over which Uptime and Downtime will be calculated. The Availability Base Hours during each week will be 24 hours a day, seven days a week.
- 1.4. "Downtime" occurs whenever, during the Measurement Period, the PAR Pay Service is inoperable or inaccessible.
- 1.5. "Uptime" is determined by subtracting the total Downtime from the Availability Base Hours. $\text{Uptime} = \text{Availability Base Hours} - \text{Downtime}$.
- 1.6. "PAR Pay Services Service Level Commitment" is determined by dividing Uptime by the Availability Base Hours and multiplying the result by 100. $\text{PAR Pay Service Level Commitment} = (\text{Uptime} / \text{Availability Base Hours}) \times 100$. ParTech's calculations for the PAR Pay Service Level Commitment in any given Measurement Period will be the sole determinative calculation as to whether ParTech has met the PAR Pay Service Level Commitment.
