

PAR Catering

From the kitchen out - catering, simplified.

A Platform Built for How Catering Actually Runs

Catering is no longer a side hustle. It is a **\$109B growth channel with order values up to 10x higher than standard tickets** and one of the fastest-growing revenue drivers in restaurants today.

While most platforms treat catering as an add-on, PAR built it for how large orders actually operate, from the kitchen out.

PAR Catering connects every aspect of catering, from prep to delivery, in one connected system that gives teams the visibility and control to deliver large orders with confidence and consistency.
