PAR Technology Corporation to Present at Upcoming Investor Conferences

New Hartford, NY —May 6, 2026—PAR Technology Corporation (NYSE: PAR) a global technology company and provider of unified commerce for enterprise foodservice today announced that PAR CEO, Savneet Singh, will participate in two upcoming investor conferences.

PAR will participate in fireside chats at the Needham-Technology, Media & Consumer Conference on Tuesday, May 12th, and at the J.P. Morgan Global Technology, Media and Communications Conference on Monday, May 18th.

PAR management will also conduct one-on-one meetings with investors and analysts during the conferences.

Event: Needham-Technology, Media & Consumer Conference

Date: Tuesday, May 12, 2026

Time: 8:45 AM ET / 5:45 AM PT

Event: J.P. Morgan Global Technology, Media and Communications Conference

Date: Monday, May 18, 2026

Time: 3:30 PM ET / 12:30 PM PT

Live webcasts of the Company's presentations will be available by visiting PAR Technology's website at <https://www.partech.com/investor-relations/>. Replays of the webcasts will be available following the conclusion of each live presentation broadcast.

ABOUT PAR TECHNOLOGY CORPORATION

PAR Technology Corporation (NYSE: PAR) delivers an agentic operating platform that enables smarter, more consistent operations for multi-unit brands across restaurant, retail, and high-volume commerce. PAR's platform brings together mission-critical software—point of sale, digital ordering, loyalty, payments, and back-office systems—along with hardware and data to orchestrate decisions and workflows across systems, locations, and guest touchpoints in real time. Designed to drive measurable outcomes, PAR helps brands improve efficiency, deliver better experiences, and make every store more profitable. Learn more at partech.com.
