PAR Technology Corporation to Participate at Goldman Sachs Communacopia + Technology Conference

New Hartford, NY —September 2, 2026—PAR Technology Corporation (NYSE: PAR) a leading technology provider powering multi-unit operations across restaurant, retail, and large-scale commerce, today announced that Savneet Singh, the Company's CEO, will present to institutional investors at the Goldman Sachs Communacopia + Technology Conference at The Palace Hotel in San Francisco, CA.

Mr. Singh will participate in a fireside chat at 4:45 PM Eastern Time on Thursday, September 10, 2026. A live webcast and replay of the discussion will be available by visiting PAR Technology's website at <https://www.partech.com/investor-relations/>. PAR management will also be conducting one-on-one meetings with investors attending the conference.

ABOUT PAR TECHNOLOGY CORPORATION

PAR Technology Corporation (NYSE: PAR) delivers an agentic operating platform that enables smarter, more consistent operations for multi-unit brands across restaurant, retail, and high-volume commerce. PAR's platform brings together mission-critical software—point of sale, digital ordering, loyalty, payments, and back-office systems—along with hardware and data to orchestrate decisions and workflows across systems, locations, and guest touchpoints in real time. Designed to drive measurable outcomes, PAR helps brands improve efficiency, deliver better experiences, and make every store more profitable. Learn more at partech.com.
